## MY PARENTS' 50<sup>TH</sup> ANNIVERSARY

Letty LaCilly

It was my parents' 50th wedding anniversary and time to do something big... But what?

Relatives are spread all over the country, so a get-together wasn't going to work. Instead, I sent each of them a card with a collage of my parents' pictures taken throughout the years. I included a list of thoughts and questions about everyone's association with the happy couple. I asked my relatives to write their answers to my parents... and everyone did!

To liven things up, I also included a packet of Happy Anniversary confetti for them to put into the envelopes. **SURPRISE!!**

It was as much fun as a party!
